

## TerraLink Horticulture

We are pleased to announce that the business and operations of TerraLink Horticulture Inc. have been acquired by Stern Partners together with senior management of TerraLink. TerraLink was formerly controlled by Tri-West Capital Partners of Calgary, Alberta.

Stern Partners, founded by Ronald N. Stern, is a Vancouver-based private investment firm which is a lead and long term investor in businesses in a variety of industries, including manufacturing and distribution ([www.sternpartners.com](http://www.sternpartners.com)).

TerraLink will continue to be headed by CEO Stan Loewen and CFO Bill Pierce. We will continue to provide the same high level of service to customers, and to deal with employees and suppliers on the same basis as before. We look forward to working with our new partner to grow our business on a prudent, customer-focused and long-term basis.
